

**IN THE UNITED STATES DISTRICT COURT  
FOR THE SOUTHERN DISTRICT OF INDIANA**

MALIBU MEDIA, LLC  Plaintiff,  v.  KELLEY TASHIRO and N. CHARLES TASHIRO  Defendants	Case No. 1:13-cv-00205-WTL-MJD  Hon. Mark J. Dinsmore
---	---

**DEFENDANTS SIXTH MOTION IN LIMINE  
TO EXCLUDE PAIGE'S EXPERT WITNESS REPORT REGARDING HIS TEST OF IPP'S  
SOFTWARE**

The Defendants, KELLEY TASHIRO and N. CHARLES TASHIRO, come to this Honorable Court and move it to exclude Paige's report relating to his test of IPP's software from the evidentiary hearing scheduled for January 29, 2015. In support of the same, the Defendants provide the attached memorandum and state as follows:

1. The Plaintiff asserts that it may introduce, as evidence, "Paige's expert witness reports regarding his test of IPP's software . . ." (ECF Doc. 169, at 3).
2. Paige is not an expert qualified to testify as to BitTorrent monitoring matters. He cannot opine on this subject.<sup>1</sup> Further, his report shows a fundamental misunderstandings regarding the infringement detection software. He cannot be an expert.
3. Just as important, IPP's purported detection of infringement is irrelevant to the matter at hand – purported deletion of files and lying about DMCA notices.

---

<sup>1</sup> The Defendants are aware that another defendant in another Malibu matter has attempted to bar the testimony of Mr. Paige regarding his IPP detection process. However, that defendant's argument did not appear to challenge whether or not Mr. Paige was actually an expert qualified to opine on such matters. Thus, it would be inappropriate to compare this apple to that orange.

4. Accordingly, Paige's expert witness report regarding his test of IPP's software should be excluded as evidence at the evidentiary hearing of January 29, 2015.

WHEREFORE, KELLEY TASHIRO and N. CHARLES TASHIRO respectfully request that this Honorable Court bar the Paige's expert witness report regarding his test of IPP's software.

Respectfully submitted,
